Welcome john.doe@example.com.

Our team of graphic designers, user experience specialists, business talents and developers form a group of like-minded web design professionals. We bring to the table different experiences, perspectives and ideas from all corners of the world.

At boorcon PIXELS we care deeply about people and interactions. Our international Experience Design Studio based in the heart of Helsinki creates captivating brands, websites and applications. Users' perspective and a cheerful working culture are at the core of everything we do and make our design driven solutions perfect for today's ever-changing digital world.
